

UBCO ORS offers the following facilitation services for the upcoming **January 31, 2022 at 4:30 pm PT** Scholar award Deadline.

Contact Research Development Officer [Stacey Leavitt](#) for more information about any of the programming listed below. Facilitation services and programming offered in consultation with the SPARC Health team.

MSHR has advised the University that the 2022 competition is expected to be launched with tentative dates as follows:

LOI deadline: **December 6, 2021 at 4:30 pm PT.**

Internal deadline: **January 25, 2022 at 9:00 am PT**

e-submission deadline: **January 28, 2022 at 12:00 pm PT**

Full Application Deadline: **January 31, 2022 at 4:30 PM PT.**

Facilitation services:

1. Webinars

2022 MSHR Scholar Program Webinar:

When: November 10, 2021 at 10:00 am PT

Where: [Zoom webinar](#) Meeting ID: 851 1609 1801 Passcode: 551426

Registration: No registration required.

Full details can be found on [MSHR's program page](#).

2. Consultations

SPARC is offering one-on-one consultations for researchers via zoom to provide feedback on MSHR-BC Scholar award applications. Sessions will be 15 mins in duration and held on the following dates:

Thursday, January 6, 2022 from 1:00 - 4:00 pm PT.

Tuesday, January 11, 2022 from 1:00 - 4:00 pm PT.

Thursday, January 13, 2022 from 1:00 - 4:00 pm PT.

Contact: [Sharon Marsh](#).

*For consultations outside these dates/times, please contact [Stacey Leavitt](#) to book an appointment.

3. Letter of Intent Stage Review

Runs until December 5, 2021

Review of LOI Research Project Lay Summary (1,250 characters) and scientific summary (1,300 characters) both required at the Registration stage. Please send your documents in MS Word format

Contact: [Stacey Leavitt](#)

****All applicants MUST submit an LOI directly to MSHR by August 6 at 4:30 pm PT.** It is strongly recommended to submit ahead of the deadline. [MSHR instructions - How to submit an LOI](#).

4. Research Proposal Review

December 7, 2021 - January 24, 2022

Feedback on key application sections: (i) 10-page Research Proposal; (ii) Research Summary; (iii) Track record, (iv) Most Significant Contributions; (v) Knowledge Translation Activities; and (vi) COVID-19 Impact Statement etc. Editorial feedback focusing on logic, coherence, and compelling statements of impact, ultimately ensuring that all criteria are fully addressed will be provided. Please send your documents **in one email** in MS Word format.

Contact: [Stacey Leavitt](mailto:stacey.leavitt@ubc.ca)

5. Technical Review

January 24 - 28, 2022

Forward a PDF to stacey.leavitt@ubc.ca of your online-portal application and receive feedback on spacing, pagination or formatting issues prior to submission.
